

# Noah's Ark News

28th January 2022

Dear Parents and Carers,

This week the children have been exploring oats on the sensory trays. We have been pouring and measuring and scooping with spoons to fill different sized pots.

We have also had the black mats out this week. At black mats, children get a chance to explore some real world items. The children have been delving through the different jewellery items and hanging the coloured beads and shiny chains onto the wooden trees.

We have all been enjoying some small world play with the Happyland town and characters. The children have been connecting the track together and driving the cars and trains around the town. The children have taken the characters on some great adventures and have enjoyed ringing the doorbell on the house and tapping into the cash machine on the shop building.

Outside the children have been playing on the trikes. They have been following a course in the playground, around the tyres, under the wicker arches and through the hanging scarves.

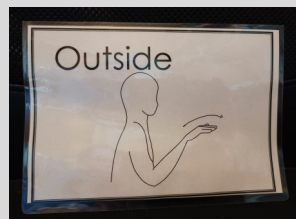

To help them in the cold weather the children have been practising putting on their gloves themselves. Perhaps you could let them show you at home what they have learned .

There are still a few tickets left for our fundraising evening on 4th February. Please contact the office if you would like some.

Best wishes for the weekend,

The Noah's Ark team

## Makaton sign of the week

We are all using Makaton to support Children's language and understanding. Our sign of the week is "Outside" For a video showing this sign see <https://www.youtube.com/watch?v=1dsOii0XHlg>
