

Noah's Ark News

4 February 2022

Dear Parents and Carers,

This week the children have been practising their fine motor skills with lots of drawing and writing. The children have been looking carefully at themselves in a mirror and thinking about who they are. The children have also enjoyed looking at themselves in the mirror in our dressing up area. They have used the information they have observed through looking and talking to draw a picture of themselves. You can see some of the results on page 2.

We have also been thinking about writing for a purpose and looking at various signs around the setting. The children have then made their own signs to put on the wall. There are more to see on page 2.

Please can we remind you that Ark is a “Mobile Phone free zone. This applies to all staff as well as parents, carers and visitors. And includes the use of smart watches and other personal devices with camera technology. If you are visiting Pre-school, please leave your phone in the office.

We are all looking forward to our fundraising event this evening and hope to see some of you there later. If you would like to come and have not booked a ticket please do email the office as we have a few left—it's going to be a great evening.

Best wishes for the weekend,
The Noah's Ark team

Makaton sign of the week

We are all using Makaton to support Children's language and understanding. Our sign of the week is “Milk” For a video showing this sign see <https://www.youtube.com/watch?v=VVE0AqexE5o>
