

Noah's Ark News

30th September 2022

Dear Parents and Carers,

The children have all been busy at Preschool this week, engaged in sensory play with lavender. They have enjoyed using their hands to explore the lavender and pestle and mortars to press down and release scent from the plants. The weighing scales and pipes have been used to roll and measure with conkers and pine cones as we welcome a more Autumnal feel to the weather this week!

Toilets: If you need to take your child to the toilet at the start or end of a session, please could you let a member of staff know to ensure that we comply with our Safeguarding Policy. Thank you.

Forest School : Forest School sessions will be starting for some children next week. The minibus will take a group of children and staff over to Leigh Woods for the morning session, led by Gill Bryan. Sophie Turner in the Office will have been in contact if your child is in the first group.

North Bristol Food Bank: Maki Mico, the Minister from Cairns Road Baptist Church, will be coming in next week to talk about the importance of the Local Food Bank. Following Maki's talk, Noah's Ark Preschool will be a drop off location for families to make food donations to the food bank if at all possible.

Speech and Language helpline: North Bristol Speech and Language Early Years Therapy team are running a telephone advice session for parents with babies, toddlers or preschool aged children . Please see the attached flyer if you have any concerns and would like some support.

Amazon Smile: We are registered as a designated charity with Amazon Smile. If you nominate us as your chosen charity we can benefit from a donation from Amazon each time you make a purchase. To participate, simply go to www.smile.amazon.co.uk and select NoahsArK@CRBC as your designated charity.

We hope you all have a great weekend,
The Noah's Ark Team.
