

Noah's Ark News

7th September 2022

Dear Parents and Carers,

Welcome to the start of a new year at Noah's Ark. Welcome back to those children who are returning after the Summer holidays and welcome to all our new starters. We all look forward to getting to know the children and their families over the coming months. If you have any concerns please do speak to your child's key worker or another member of staff who will be able to help.

The first week back has been spent getting the new children settled and getting used to the new routines and timings at pre-school. We have also welcomed a number of new staff members to the team. Antoinette, Susannah, Pauline and Maryna will be supporting children on a 1:1 basis. Corinne will be supporting Sophie in the office.

NO NUTS: Please can we remind parents not to include any nuts or products containing nuts in packed lunchboxes as we have a number of children with severe nut allergies at pre-school. This includes products with hidden nuts such as pesto. Also remember to please cut grapes and cherry tomatoes in half to avoid the risk of choking.

Parents WhatsApp: There is a WhatsApp group for any new parents who would like to keep in contact with each other outside of the setting. If you would like to join the Noah's Ark parents WhatsApp group, please contact Rachel Millar on 07561324706 with your child's name and your mobile number. This is a parents initiative, not organized by Noah's Ark and there is no obligation to join.

Cairns Road will be starting a new 'Overflow' group for school years 4-6. This is a drop in group on a Tuesday 3.30—5pm. Please see information overleaf if you are interested or know of others who would be.

Best wishes,
The Noah's Ark Team.

Run by Jonty our youth worker & Ruth our family and community coordinator, both parents & with experience of working with children & young people, we really look forward to meeting you and your child/children.

Held in our youth spaces at Cairns Road we hope Overflow will be a place where your children can overflow with joy and confidence as they grow in independence in these later primary years.

We want to support them in this through exploring themes inspired by our Christian faith. Although the foundations of our sessions are rooted in our Christian faith, this is a group for all, whether you follow any faith or none.
