

Noah's Ark News

20th January 2023

Dear Parents and Carers,

The children have been very busy this week using their hands for various activities. Both rooms have been filled with the lovely scent of lavender being crushed up in the pestle and mortars. An imaginary hairdressing salon has proved very popular in the Orange Room with children taking turns to make appointments and see clients for a pretend cut, brush and blow-dry! Children in the Yellow Room have enjoyed using the woodwork instruments to make their own creations.

Our thinking time sessions this week have had a focus on greetings. Whilst exploring the story, 'Hello, Goodbye' the children have been thinking about how we greet people we know when out and about. There has been lots of practising saying Hello and Goodbye and waving hands.

We are so excited that our main fundraising event of the year on **Saturday 4th February** is only a couple of weeks away! Please do **click on the link for tickets** which is at the end of the email if you are able to support us and come as it promises to be a fun event for both men and women. The male and female models are a mixture of staff and friends that have kindly agreed to help out and they will be modelling clothes kindly lent to us by St Peter's Hospice, Barnardo's and Tenovus in Henleaze.

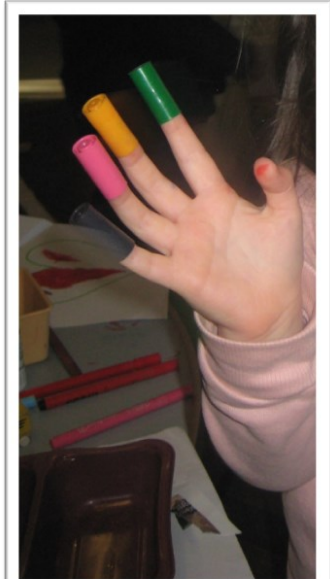

On arrival you will be given a complimentary glass of prosecco or soft drink and be treated to a fun fashion show compered by local personal shopper **Becky Barnes** who uses all of the local charity shops. This will be followed by an opportunity to choose clothes/try on if you wish from the swap clothes donated. If you have any good quality men or women's clothes to donate of all sizes then **please bring to Noah's Ark by Friday 27th January** so that we can display them.

The evening promises to be lots of fun as well as a chance to socialise and promote the importance of sustainable pre-loved clothing whilst raising much needed money for Noah's Ark. The money will go directly to purchasing items to develop our outdoor space **to benefit all of our children**. We really appreciate all of your support and hope that you can come to the event.
