

# Noah's Ark News

24th February 2023

Dear Parents and Carers,

Welcome back to the new Half Term. A very special welcome to the new starters and their families. The team will enjoy getting to know you and your children over the coming weeks. We hope everyone enjoyed the break and the lovely sunshine at the start of last week.

There is a **parents WhatsApp group** for keeping in touch with other families from Noah's Ark outside of the setting. If you would like to join the group, please contact Rachel Millar on 07561324706 with your child's name and your mobile number. The group is not organised by Noah's Ark Preschool and there is no obligation to join.

Please remember that although the weather has been sunny, it is still cold when using the outdoor areas, so please **send your child with a warm, waterproof coat** when they come to Preschool. Please also make sure all your child's belongings are clearly labelled with their name to avoid items getting lost.

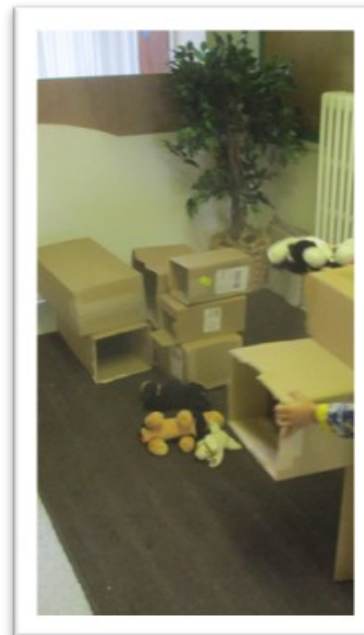

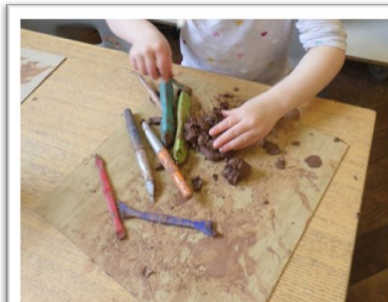

We have had a great time this week getting back into Preschool routines. The large cardboard boxes in the corridor have been very popular with the children and have led to some really imaginative play. We have seen the boxes transformed into princess towers, cosy beds and dog houses amongst other creative ideas.

Using boxes to build with has led to construction in the Preschool rooms and outside area too. Children have loved assembling structures using clay, Lego and outdoor bricks.

Wishing you all a lovely weekend,

The Noah's Ark Team.
