

# Noah's Ark News

19th April 2023

Dear Parents and Carers,

Welcome back to Noah's Ark after the Easter holiday. We hope you all had a restful break. The children have all really enjoyed settling back into the Preschool routines and having sunny outdoor play this week with the climbing frame proving a very popular choice! Indoors, we have been using everyday objects on the **Black Mats**. The children have been focussed on arranging buttons, stretching elastic bands over nail boards, pouring water from teapots into cups and dressing up with lots of different beaded necklaces!

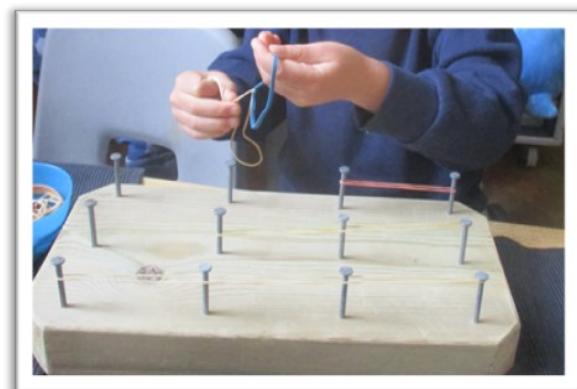

If you are about to recycle any **tuna tins** please could we have them for our cooking activities? Please bring any clean tins into Preschool and give them to a member of staff. Thank you.

As the weather becomes warmer, we wanted to remind you to please send your child to school wearing **sun cream and a sun hat** for hotter days. If children are staying all day, we will reapply sun cream after lunch for the afternoon session. If your child has sensitive skin or requires their own sun cream, please send a named bottle into preschool and let a staff member know. We do have some sun hats to borrow, but please bring a named sun hat if your child prefers to wear their own.

If your child is due to start school in September, you should have had an email from the BCC Admissions team with an offer of a place. Please remember to let them know your decision.

We are putting a list together to let parents know which children will be going to the same schools. If you are happy for your child's name to be included on the list which will be put up on the noticeboard, please let the office know.

Have a great week,  
The Noah's Ark team.
