

Noah's Ark News

10th May 2023

Dear Parents and Carers,

We have been using mixed materials and media this week whilst thinking about nature and shapes in art. The children have been looking at the work of **Matisse and Georgia O'Keeffe** and trying to replicate the artist's styles in their individual clay and drawing creations. The children had great fun on Tuesday when they made their own spiral snail pictures inspired by a real snail that they found outside in the garden!

Please may we remind you to be considerate **when parking** in the local area and to be mindful of the space emergency vehicles may need to get through when double parking on the roads surrounding pre-school.

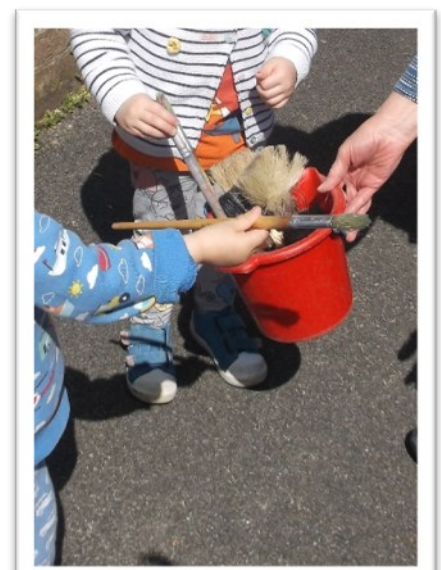

A reminder that we will be hosting three **coffee mornings on Monday 22nd May, Wednesday 7th June and Monday 26th June**. Please join us for a warm

drink and a chat after drop off at 8.45-9.45am. Please bring your own cup with a lid so we can fill it with tea or coffee for you. We hope you'll be able to make one or all of these dates.

Have a lovely week,

The Noah's Ark Team
