

Noah's Ark News

17th May 2023

Dear Parents and Carers,

We've had another exciting week at Preschool. We started the week on Monday with an interactive performance from Dragon Bird theatre for the children that are leaving us at the end of the academic year to go to school. Children and their parents and carers all got involved to become part of the Lady-bird Detective Agency and lots of fun was had by all.

The children have loved playing outside in the sunshine this week. Please remember to make sure your child arrives at Preschool wearing sun cream on warmer days. If they are staying all day, we will top up their cream after lunch ready for the afternoon session.

Vegetable cous-cous salad has been on the menu this week with all children having a go at chopping up vegetables and herbs to add to their salad. The children are all encouraged to chop up and touch the different vegetables to explore their textures and tastes.

Please remember the first of our coffee morning sessions will be next Monday 22nd May 8.45-9.45am. Please bring your own reusable cup which we will fill with tea or coffee for you.

Have a lovely week,

The Noah's Ark Team
