

Noah's Ark News

5th May 2023

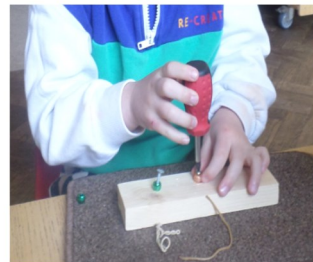

Dear Parents and Carers,

We have all been enjoying the lovely sunshine this week with the children making the most of being outside. We have continued to have the spring blossom and greenery out for the children to explore.

The focus this week has been on mark making using paint brushes and water to help develop motor skills. We have also been using old keyboards to identify letters and writing lots of different lists to practice our writing.

We have also had the woodworking tools out this week and the children have been enjoying using the hammers drills and screwdrivers to make their own woodwork master pieces.

We hope you are able to make one or all of our coffee mornings taking place on **Monday 22nd May, Wednesday 7th June and Monday 26th June**. This is an opportunity to join us for a warm drink and chat after drop off 8:45-9:45, please remember to bring your own cup with a lid, we hope you can make one or all of these dates.

Wishing you all a lovely Coronation Bank Holiday and we will be back on Tuesday the 9th May.

The Noah's Ark Team.
