

# Noah's Ark News

8th June 2023

Dear Parents and Carers,

We hope that you had a lovely half term break last week and we are pleased to see everyone back for the start of the summer term. And what a wonderful sunny first week back we have had, the children have enjoyed spending lot of time outside doing mark making with chalk and lots of water play.

This week the focus has been on **exploring our emotions** with the children. Understanding our emotions is really important for a child's development. At this age children have a range of emotions but often find it hard to interpret, express and process them like us.

So we have been exploring and talking about emotions, such as feeling happy or sad. How when something happens how we might feel and what we might do to show and express how we are feeling. The children have also been exploring this by drawing pictures showing different emotions.

It was lovely to see some parents for our coffee morning yesterday at drop off. We hope they offer an opportunity for parents to meet and chat with other parents and enjoy seeing what is going on here whilst enjoying a coffee.

St. Peter's Church in Henleaze are running a Clothes Swap Event on Saturday 17th June 2—4pm if you are free. Please see the leaflet attached for further information if you are interested in going along.

Have a lovely week,  
The Noah's Ark Team
